IN THE UNITED STATES DISTRICT COURT
 FOR THE DISTRICT OF ARIZONA

CARL A. WESCOTT,

Plaintiff,

vs.

DAVID CROWE;
 MIKE LYONETTE;
 THOMAS P. MADDEN;
 MICHAEL JIMENEZ;
 JEFF RAU;
 BRIAN PUTZE;
 SANDRA WINFREY;
 COLIN ROSS;
 PETER TIERNEY;
 BRAD MALCOLM;

Defendants

Case No. 2:20-cv-01383-PHX-SPL

**PLAINTIFF'S COMPLIANCE WITH
 COURT ORDER OF JULY 28th, 2020 AND
 NOTICE OF SERVICE OF THE
 PRELIMINARY ORDER**

On July 28th, 2020 this Court made a Preliminary Order in the instant case above. Plaintiff Carl A. Wescott, proceeding *pro se*, hereby responds to the Court order with a summary of related facts and his compliance with the Order.

The following Defendants were served in the related Superior Court case CV2020-006232 and/or have appeared: Mr. David Crowe, Mr. Mike Lyonette, Mr. Thomas P. Madden, Mr. Michael Jimenez, Mr. Jeff Rau, Mr. Brian Putze, Ms. Sandra Winfrey, Mr. Colin Ross, Mr. Peter Tierney, and

1 Mr. Brad Malcolm. The Plaintiff has not served any new Defendants since the removal of the case
2 from state court to District Court. The Plaintiff does not seek more time to serve additional
3 Defendants. Thus, the Plaintiff understands and expects that this Court will dismiss the other
4 Defendants named in this action in the Superior Court filing (the twelve (12) Defendants other than
5 these ten (10) that were served and/or that appeared) under Fed. R. Civ. P. 4(m).
6

7 The Plaintiff did not object to the removal of this case to this federal Court, does not object,
8 and in fact supports the removal and wishes to be in this Court. Given that this set of ten (10)
9 Defendants requested removal to this Court, thus, the Plaintiff and these ten Defendants are
10 unanimous in our desire to be in this Court.

11 The Plaintiff complied with this Court's order by serving the these ten (10) Defendants with
12 the Preliminary Order, as per the two attached Proofs of Service, and is further complying via the
13 filing of this Notice of Service with the Court.
14

15
16 RESPECTFULLY SUBMITTED on August 24th, 2020
